

PRECISION SERIES®

Imprinted Trash and Recycling Container, 20-Gallon Round, Open-Top Lid

Clean and polished, the stainless steel SS Recycler provides an upscale recycling solution. This receptacle will complement any environment and works well in common areas or work areas, as well as near entrances, elevators or conference rooms. The SS Recycler has two separate compartments, one for trash and the other for recycling, with a split lid that allows you to separate trash from recyclables. Both half-moon galvanized liners have a convenient handle for hassle-free maintenance. This unit includes a set of decals to clearly identify your recycling program.
